International trade plays a significant role in fueling Florida's economic and job growth engine, supporting more than two million jobs in Florida - that's one-in-five jobs. What trends and key factors should Florida's business community be aware of for 2019?

Join the Florida Chamber of Commerce for our next **Global Florida Webinar** on **Thursday, January 31 at 2:00 p.m.**, where we will discuss current trends in global trade as well as provide an economic outlook on key trading partners in Latin America for Florida. Webinar speakers will include:

- **Gonzalo Arance**, Deputy Director, Enterprise Florida, Inc. - Spain Office, who will provide a trade outlook on Spain and discuss various markets of opportunity.
- **Raidan Al-Eryani**, Director, Enterprise Florida, Inc. - Canada Office, who will share a trade outlook on Canada and provide insight on market opportunities.
- **Alice Ancona**, Director, International Strategy & Policy, International Trade and Investment Office, Florida Chamber of Commerce, will provide an overview of Florida's latest trade numbers and trends.

Don't miss this opportunity to stay informed and take part in this important discussion. **Register today!**
