

### **Summary**

CAMACOL is very proud of this new venture on the wake of the COVID-19 crisis and part of our recovery efforts, to keep business moving forward. As such, we announce this as our first *virtual matchmaking event*, where we will be utilizing cutting edge technology to ensure a successful virtual matchmaking business experience. To that end, companies from Latin America, Europe, and the US will be on-hand and live to trade COVID-19 related/and ancillary products. Participating business sectors which include: health sector, personal protective equipment (ppe's), sanitary products, food & beverages.

### **Sponsorship Opportunities**

We have developed the following sponsorship level's to best suit your business needs.

See options below:

#### **Event Sponsor Banner (Exclusive Availability)**

\$500.00

The banner of your company will appear in all of the digital promotional materials generated before, during and 60 days after the event; to include promotional flyers and event homepage. The banner will be an inter-active widget to include a short description of your company and your services which will be distributed throughout our database, our event partners data base, and social media accounts. Includes matchmaker registration as well.

#### **Prime Sponsor**

\$350.00

Your logo will be shown on an inter-active widget on the event home page that, when pressed, will send the attendee directly to your company's/organization's website. This widget will always be visible, throughout the entirety of the event, on the home screen of the event. Your widget sponsorship will include a short description of your company and your services, which will reach over 26 worldwide chambers of commerce, our database, our event partners data base, and social media accounts. Includes matchmaker registration as well.

#### **Supporting Sponsors**

\$200.00

Company logo on event platform the day of the event and 60 days prior. Includes matchmaker registration as well.

#### **Event Partners**

Enterprise Florida, ITC, Miami Dade, Port Miami, GMCVB, MBDA
